

HOW TO CHANGE YOUR LAST NAME AFTER MARRIAGE IN 8 SIMPLE STEPS

STEP 1

Get *certified* copies of your marriage certificate from the local clerk or county office your marriage license was filed in.

STEP 2

Visit your local Social Security Administration office to change your name so you can get a *new Social Security card* that reflects your new name.

STEP 3

Change your name at the Department of Motor Vehicles *after* you receive your new Social Security Card to get a new Drivers License.

STEP 4

Change your name on your Bank Accounts to keep your *identity* intact. Remember to request new check books, debit and credit cards too.

STEP 5

Change your name on your passport. *It can take a while* to get your passport processed so keep this in mind as you plan your honeymoon etc.

STEP 6

Change your name and other relevant information at Work. The changes will be made to your *W-2, W-4, and deductions* if needed.

STEP 7 & 8

7. Change your name and address (if applicable) with the United State Postal Service.

8. Notify other places you need to change your name.
